

Bad habits (kemp 2020)

Chorus

Bad habits are hard to break
there's an evil in my mind i just cant shake
when the chips are down and your fire is out
there's a little change you gotta make
bad habits are hard to break

V1

i've been around the block a time or two
did a few things nobody should do
It's like the dirt off the streets sticking to your shoes
in a race you don't want to lose
bad habits are hard to break

V2

i made myself acquainted with the darker side
there's a lot of good people in the world with secrets to
hide
when you cant go back just go through
but don't bring that devil with you
bad habits are hard to break

V3

I've been so down i nearly lost my mind
i couldn't get away from the pain inside
before I go into the ground,
there's still a chance to turn it around
